

DEPARTMENT OF BIOMEDICAL ENGINEERING

**PETITION TO MODIFY
CORE COURSE REQUIREMENTS
FOR SGUS AND GRADUATE STUDENTS**

The Department of Biomedical Engineering at the University of Michigan requires satisfactory completion (grades of B or better) of a group of core courses to obtain the masters degree. Students who have completed courses equivalent to any of the core courses prior to entering the masters degree program may take graduate level biological science or engineering courses in their place. Requests for course substitutions must be outlined on this form and approved by the Graduate Education Committee of the Department of Biomedical Engineering. Please remember to attach copies of the syllabus, transcripts (U of M excluded), etc. Incomplete petitions will be returned to students, which will cause delays in receiving a decision.
